**MINIMUM QUALIFICATIONS:** As prescribed in the Official Compilation of Codes, Rules, and Regulations of the State of New York (NYCRR) State Sanitary Code, Section 11.121:

Associates Degree or completion of 60 credit hours, including a minimum of 15 credit hours in natural sciences, of which not more than six (6) credit hours may be in the applied sciences.

**SPECIAL REQUIREMENTS:**

- Must demonstrate the ability to speak, understand and write conversational Spanish;
- Must possess and maintain a valid driver's license;
- Satisfactorily complete a public health training course approved by the State Health Department within two (2) years of appointment.

**NOTES:**

- The term *natural science* shall mean a science such as biology, chemistry or physics that deals with the objects, phenomena, or laws of nature and the physical world. It shall include all physical and biological sciences. The term *applied science* shall mean science based courses in environmental technology, sanitation technology, medical technology, public health, infection control or food science.
- Your degree/credits must have been awarded by a college or university accredited by a regional, national, or specialized agency recognized as an accrediting agency by the U.S. Department of Education/U.S. Secretary of Education. If your degree/credits were awarded by an educational institution outside the United States and its territories, you must provide independent verification of equivalency. A list of acceptable companies who provide this service can be found on the Internet at <http://www.cs.ny.gov/jobseeker/degrees.cfm>. You must pay the required evaluation fee.
